

YES award

Honda Cars India Ltd (HCIL) recently held its 13th edition of the Young Engineer and Scientist's (Y-E-S) Award for 2019-20 and awarded 14 students from IITs across the country. With the latest edition of Y-E-S programme,

the company has recognised and rewarded over 168 students in 13 years.

An award of \$3,000 each was presented to 14 students selected from six IITs – Bombay, Madras, Kharagpur, Kanpur, Roorkee and Delhi – on the basis of a comprehensive

selection process.

In addition, every Y-E-S award recipient becomes eligible for the Y-E-S Award Plus, an internship programme offered at a company or research institute in Japan for two and half months (10 weeks) and receives \$7,000 for the same.
