**New Delhi:** Honda Cars India Ltd (HCIL), leading manufacturer of premium cars in India, held the 13<sup>th</sup> edition of the Young Engineer and Scientist's (Y-E-S) Award for 2019-20 and awarded 14 students from IITs, India's esteemed science and technology institutes, across the country. The coveted Y-E-S Award is bestowed upon brilliant minds from IITs after a meticulous evaluation by a jury of senior Honda executives and prominent Indian scientists. With the latest edition of Y-E-S program, the company has recognized and rewarded over 168 students in 13 years.

The Y-E-S Award was instituted by the Honda Foundation in India in 2007 and is facilitated by Honda Cars India to nurture young students who have excelled in the area of science and technology and aspire for higher academic achievement. With this program, the Honda Foundation hopes to encourage and promote concepts of eco technology among the young generation while also strengthening interaction and exchange between Japanese and Indian youth expected to lead science, technology and industry.
