

## ***Honda announces 13th Honda Young Engineer and Scientist's Award in India***

Chandigarh: Honda Cars India Ltd (HCIL), leading manufacturer of premium cars in India, held the 13th edition of the Young Engineer and Scientist's (Y-E-S) Award for 2019-20 and awarded 14 students from IITs, India's esteemed science and technology institutes, across the country. The coveted Y-E-S Award is bestowed upon brilliant minds from IITs after a meticulous evaluation by a jury of senior Honda executives and prominent Indian scientists. With the latest edition of Y-E-S program, the company has recognized and rewarded over 168 students in 13 years. The chief guest His Excellency Mr. Satoshi Suzuki, Ambassador of Japan to India, presented the award to the students in recognition of their outstanding all-round performance in academics. Also present on the occasion, were Mr. Akira Kojima, Director, Honda Foundation & Mr. Shirish Garud, Senior Fellow -The Energy and Research Institute (TERI).
