

Honda Young Engineer and Scientist's awards conferred on 14 IIT students

Honda Cars India today held the 13th edition of the Young Engineer and Scientist's (Y-E-S) Award for 2019-20 and awarded 14 students from IITs, the renowned science and technology institutes, across the country.

The Y-E-S Award is bestowed upon brilliant minds from IITs after a meticulous evaluation by a jury of senior Honda executives and prominent Indian scientists. With the latest edition of Y-E-S program, the company has recognised and rewarded over 168 students in 13 years.

The Y-E-S Award was instituted by the Honda Foundation in India in 2007 and is facilitated by Honda Cars India to nurture young students who have excelled in the area of science and technology and aspire for higher academic achievement. With this program, the Honda
